

## **ABHIMANYU KAUL**

**FOUNDER AND MANAGING DIRECTOR,  
VALUES IN ACTION CORPORATION**

Abhimanyu is an accomplished thought leader and strategic advisor who has coached and transformed several individuals, groups, corporations and institutions, for decades, particularly focusing on incorporating values and spirituality. As a change management and transformational coach, Abhi is passionate about empowering people to achieve their goals and realize their untapped potential using a values-oriented approach.

Abhi is a product of cross-cultural synergies with over 25 years of vast global experience across India, Canada, USA, Indonesia and the Caribbean Islands. His training models and empowerment workshops systematically allow for a personalized understanding and fulfillment of goals.

A post-graduate in Commerce, from Sri Sathya Sai Institute of Higher Learning, A.P, Abhi established himself as a successful professional in India for over a decade. He then migrated to Canada and launched his own corporation "Values in Action", with a goal to promote human values and successfully launched his "values" model in several corporate houses, government and non-governmental organizations. Expanding his corporate mission further to promote values model in the field of Education, he started schools in Trinidad & Tobago and implemented values programs successfully in several schools in Indonesia and India.

As an Advisor to the Ministry of Education, Trinidad & Tobago for Values & Character Education, he has successfully led the integration of universal human values into the national curriculum thereby implementing the program to T&T schools nationwide, particularly for the early childhood age. He is known for the comprehensive school management system required for the Values Education program.

His strategic program incorporates early engagement of main stakeholders in a child's life, namely parents and communities. Some of the highlighted programs that he introduced include:

- **Gratitude in Action (GAP)** - A Program for inculcating gratitude and service in children towards the school and community at large.
- **Parent Academy** – A Program that systematically engages parents in the process of education to make them positive contributors in their child's life.
- **Values Parenting** – Supplementary workshops where parents get guidance on exploring and implementing the universal human values in their daily lives with their children.
- **Values Orientation for Educationists** – A proven training program to orient the teachers and staff in infusing and inculcating values in education process.

Abhi has also authored "The Joy of Self-Discovery", a book highlighting the importance and relevance of human values in our daily lives, how to explore them and explains the ways to experience practical spirituality.
